Ta Da! The finished paragraph

The poodle makes a perfect pet because poodles offer their owners companionship for life, not to mention that they have a loveable personality. Poodles are sweet, smart, playful, and well mannered and they love to be around people. They are always willing to lend their unquestionable love and loyalty when you need the most and they are yours for life. Apart from being a happy spirited dog and a great companion, the poodle is small and doesn't require a lot of room, so they are ideal for apartments or city settings. The poodle is suited to most environments and lifestyles; whether it be living in the suburbs or downtown, with one person or a couple, or even living with a family and children, the poodle fits right in. The poodle is a dog that warms your heart with its character. It becomes a part of your family no matter where you live and it can provide you with love and companionship that you won't want to do without. In fact, you can't ask for a better dog.
